
Mathematics

Kindergarten to Senior 4 Mathematics

Manitoba participates in the Western and Northern Canadian Protocol (WNCP) review of mathematics learning resources. Approved learning resources are listed under Mathematics on the WNCP website at <<http://www.wncp.ca/>>.

The Kindergarten to Grade 12 (Senior 4) mathematics curriculum is currently under revision, with *The Common Curriculum Framework for Kindergarten to Grade 9* expected to be released in 2006 and *The Common Curriculum Framework for Grades 10 to 12* expected to be released in early 2008. New learning resources for Kindergarten to Senior 4 Mathematics will be identified following the release. In the meantime, the WNCP website at <<http://www.wncp.ca/>> lists recently reviewed and recommended learning resources. In addition, schools are asked to continue to consult the annotated bibliographies listed below.

In making decisions regarding the purchase of mathematics learning resources, schools are asked to select learning resources appropriate for local use after consulting the descriptions of learning resources provided in the following annotated bibliographies:

- *Kindergarten to Senior 1 (Grade 9) Mathematics Learning Resources: Annotated Bibliography: A Reference for Selecting Learning Resources (May 1997)* MTBB stock number 80379
- *Senior 2 to Senior 4 Mathematics Learning Resources: Annotated Bibliography: A Reference for Selecting Learning Resources (1998)* MTBB stock number 80380
- *Senior 2 to Senior 4 Consumer Mathematics Learning Resources: Annotated Bibliography: A Reference for Selecting Learning Resources (1999)* MTBB stock number 80351
- *Kindergarten to Senior 1 Mathematics Learning Resources: Annotated Bibliography: A Reference for Selecting Learning Resources (December 1999 Supplement)* MTBB stock number 80355
- *Senior 2 to Senior 4 Mathematics Learning Resources: Annotated Bibliography: A Reference for Selecting Learning Resources (December 1999)* MTBB stock number 80356
- *Kindergarten to Senior 4 Mathematics Learning Resources: Annotated Bibliography: A Reference for Selecting Learning Resources (February 2001 Supplement)* MTBB stock number 80390
- *Senior 2 to Senior 4 Mathematics Learning Resources: Annotated Bibliography: A Reference for Selecting Learning Resources (November 2001)* MTBB stock number 80407
