Learning Resources for Existing Social Studies Curricula

The Department has updated listings of social studies learning resources to support the existing Kindergarten to Senior 4 curricula, based on Manitoba reviews that took place in July 1998, May 2000, and February 2001. Descriptions of the selected learning resources for Grades 3 to 8, Senior 1 (Canadian Studies), Senior 2 (North America: A Geographic Perspective), Senior 3 (Canada: Social and Political History), and Senior 4 (World Issues) are provided in the following annotated bibliographies:

- *Grades 3, 4, and 7, and Senior 2 Social Studies Learning Resources: Annotated Bibliography: A Reference for Selecting Learning Resources* (1998) MTBB stock number 80381
- *Grade 5, Senior 1, and Senior 4 Social Studies Learning Resources: Annotated Bibliography: A Reference for Selecting Learning Resources* (September 2000) Available online only.*
- *Grade 6, Grade 8, Senior 3, and Senior 4 Social Studies Learning Resources: Annotated Bibliography: A Reference for Selecting Learning Resources* (June 2001) Available online only.*

Learning resources selected to support the current social studies curricula are listed in the MTBB catalogue. Note that social studies titles marked with a single asterisk (*) in this catalogue may or may not be recommended as Manitoba social studies learning resources when new curricula are implemented. Until learning resources have been identified to support all grades, schools are advised to select learning resources appropriate for local use.

* Online annotated bibliographies are available on the Department's website at <<http://www.edu.gov.mb.ca/ks4/learnres/bibliographies.html>>.
